Collaborators

The list of institutions with whom PAVIR and its researchers collaborate include:

- Albert Einstein College of Medicine
- Atlanta Research and Education Foundation
- Baylor Research Institute
- Brandeis University
- Brigham and Women’s Hospital/Partners Health Care
- California Institute for Medical Research
- Cambridge Health Alliance
- Christie’s Place, Inc.
- Cleveland Clinic Lerner College of Medicine of CWRU
- Craig Hospital
- Emory University
- Emory University
- Genefluidics, Inc.
- Geneva Foundation
- GMR Epigenetics
- H. M. Jackson Foundation
- Imperial College of London
- Johns Hopkins University
- Leland Stanford Jr. University
- Mayo Clinic
- Mt. Sinai School of Medicine
- Northern California Institute for Research and Education
- Northwestern University
- NYU School of Medicine
- Research Foundation for Mental Hygiene
- Smith-Kettlewell Eye Research Institute
- SRI International
- The University of Western Ontario
- University of Arizona
- University of California, San Diego
- University of California, San Francisco
- University of Colorado
- University of Iowa
- University of Kentucky Research Foundation
- University of Maryland Baltimore
- University of Michigan
- University of Minnesota
- University of Southern California
- University of Texas
- University of Wisconsin
- Vanderbilt University
- Veterans Medical Research Foundation
- Washington Univ. in St. Louis
