

FY24 BID & PROPOSAL OPPORTUNITY APPLICATION

Bid and Proposal (B&P) Requirements:

- Unless the work is very preliminary, there must be an approved project in RDIS
- There must be a definite plan for a grant application submission based on the B&P
- B&P work **is not** just continued funding for a previously sponsored project.
- All expenditures must be incurred (goods and services received) by **September 30, 2024**. Extensions are not allowed.

Indicate if this application reflects one or more of the following priorities (select all that apply):

Junior Investigator

Partnering PI

Collaborative/Interdisciplinary

Use of PI Admin
